

# NAVID BARADARAN (PMP, CISSP, CCDP, CCNP, VCP)

[n@vid.business](mailto:n@vid.business) / +98.912.349.1161 / PO Box# 16765-1691, Tehran, Iran

## CYBERSECURITY, INFRASTRUCTURE & GRC PROFESSIONAL

- 16 years continuous Information Systems career experience in different capacities, from bottom of technology to senior management.
- Experienced in **Project management and Operation management in Cyber Security, Data Center, Infrastructure, Governance**
- Coupling Management & Technical expertise to drive business value and opportunities for **continuous improvement & IT alignment**
- **Proactive, dedicated, visionary, dynamic, self-motivated, creative, result-oriented, team-player, leadership in multiple roles.**
- Carefully planned & invested on development of my skills with **technical and management dual career path** approach, for years.

### SUMMARY OF EXPERIENCES, ACCOMPLISHMENTS AND OUTCOMES

ARYA SASOL POLYMER (joint venture between Sasol & NPC), Assaluyeh, Iran ([aryasasol.com](http://aryasasol.com)) 11/2016 to Present

#### Department Manager – IT Infrastructure (full-time)

Led team of 13 experienced and senior IT professionals focused on resilient operation management, project management, development, automation, innovation and knowledge management according to business demands such as (but not limited to):

- **Build Disaster Recovery facilities** for HOT/Warm/Cold Recovery & Offsite Backup facility to meet security objectives.
- Design and building NOC / SOC / CERT and **security response coordination** to incidents and security incidents
- Review / Reengineer and **Modernize Data Center Edge Firewall / Campus Network Block design.**
- Implement industry standards for secure messaging platform such as **DKIM / DMARC** according to **NIST 800-177.**
- Deployment of **Cisco ISE / FTD / StealthWatch** beside **SEP** Endpoints for a **Defensing in Depth** layered security design.
- Technical configuration management and Service architecture analysis for **Business Continuity** planning.
- **Modernize the IT service** portfolio by Telecom / Video Conference / WEBEX / Telepresence / Jabber platforms.
- **Backbone developments** including 10G upgrade in Campus Lan and 40G in DC Blocks utilizing vPC and LACP.
- Deploy **technical documentation** process for knowledge management using Trello / Telegram / Manage-Engine Tools.
- **Deployment of BGP** and obtaining P/I Autonomous System Number (ASN) for Multi-Home BGP deployment.
- Vast **cybersecurity improvements** by managing privileged accesses / vendors / staff to IT systems.
- Deployment of **SIEM / Log Correlations** to automate and integrate security content and evidences.
- Major **upgrades of EMC VNX / VMware ESX 4.1 to 6.5U1** in 4 geolocations with least service downtime.
- Managing deployment of VM Replication / Tape Library / Backup & DR Policy & Procedure & **Operational Controls.**
- Modernize Internet distribution system for multiple customer locations for around **2000 employees and contractors.**
- Managing deployment of different **Condition Monitoring Systems** for Data Center / UPS / Chillers / VMs / Services.

ARYA SASOL POLYMER (joint venture between Sasol & NPC), Assaluyeh, Iran ([aryasasol.com](http://aryasasol.com)) 7/2012 to 11/2016

#### Department Manager - Information Governance, Risk & Compliance – GRC Manager (full-time)

Led team of 7 experienced IT professionals to initiate and manage corporate information systems in the context of IT strategic planning, program and project's management, risks management, contingency plans, compliance and reporting activities.

Below, there are a list of my implemented processes/projects/systems (but not limited to):

- **Founder of IT GRC.** Joint-Venture Board briefing for IT GRC in the company and obtaining establishment approval (2011)
- Initiate implementation of **IT Governance Frameworks** (COBIT5) ensuring IT & business alignment.
- Initiate implementation of **Information Security Management** system according ISO 27001:2013.
- Implementation of **Project Management** processes (IT PMO), procedure and discipline for financial transparency.
- Implementation of **Change, Configuration and Release Management** processes, procedures including CMDB.
- Multimillion dollar annual **CAPEX / OPEX** budget planning and control for Benefit realization and Resource optimization.
- Developing or revising **policies, controls, processes, procedures** and workflows as per organization needs.

ARYA SASOL POLYMER (joint venture between Sasol & NPC), Assaluyeh, Iran ([aryasasol.com](http://aryasasol.com)) 2/2009 to 7/2012

#### Server Systems Specialist / Infrastructure Specialist (full-time)

Technical design, execution and delivery of a multimillion-dollar data center facility in alignment with the enterprise requirements of an international oil / gas leader; serve as information and communications technology (ICT) subject-matter expert (SME).

- **Design, Manage Construction and Commissioning of Multi-Million Dollar 3<sup>rd</sup> Tier Data Center Project:**
  - Provided expertise in **server system design and implementation** sized 1100 CPU/4TB Memory/FC Backplane/Tape.
  - Championed and led the server and storage virtualization effort, implementing VMware and consolidating servers at an **8:1** ratio; managed to launched the final product with **zero unplanned downtime.**
  - Implemented a centralized storage solution featuring HP StorageWorks, EMC VNX SAN, QNAP iSCSI NAS.
  - Developed an automated alerting system to enhance **service level management.** Managed critical P2V migrations such as migrating **IFS ERP** system to the virtualized platform for the first time.
- **Execute Data Center Operation and Maintenance:** Lead and manage data center services including:
  - Preventive Maintenance plans and **Annual overhaul** plans with considering minimum service interruption.
  - **KPI based** service and performance management, implementing a feedback-based management discipline.
  - Managed the budget, CAPEX and OPEX for data center operations including **critical spare** supply.
- Recipient of 2010 HSE **Employee of the Year** Award.

SACMI IRAN, (Country office of SACMI IMOLA Group, Italy) Tehran, Iran ([sacmi.ir](http://sacmi.ir)) 7/2006 to 10/2017

#### Country Office IT Supervisor (part-time)

- Designed and implemented **corporate server room** with disaster recovery site located in another city.
- Collaborating with distributed teams to define enterprise requirements, including branch SAP ERP secure application access, and manage project scope, schedule, budget, quality, and deliverables.
- Developed best-practice security, backup, DR, change management, maintenance, and deployment procedures.

**Infrastructure Specialist / Technical Consultant** (full-time)

- Key contributor to the highlight projects such as **Data Center, Wireless WAN and SAP (R/3) ERP Landscape**.
- Spearheaded multiple enterprise projects within one of the world's top 10 providers of ceramic and tile products.
- Contributing in **multimillion-dollar countrywide projects** in a PMI-modeled project management framework. Collaborated with and supervised cross-functional, multinational project teams and stakeholders for **ERP implementation**.
- Introduced risk and **change management** strategies.

IRAN UNIVERSITY OF SCIENCE & TECHNOLOGY, Tehran, Iran ([iust.ac.ir](http://iust.ac.ir))

6/2002 to 2/2005

**Network Technician / Support Team Lead** (full-time)

Led **team of four** in provision of IT / network support for the largest computing center within a campus of 15K students; supported workstation and server hardware and administered wireless network, Internet, and VPN connectivity.

**EDUCATION****Master of Science, IT Engineering, Networks, 2017** | SHARIF UNIVERSITY OF TECHNOLOGY - Top Student Distinction (SID:92252037)**Certificate in Information Security and Risk Management, 2016** | UNIVERSITY OF WASHINGTON (SID:1412146)**Certificate in Academic Information Seeking, 2016** | UNIVERSITY OF COPENHAGEN (Coursera Verified Certificate)**Bachelor of Science, Software Technology Engineering, 2013** | ISLAMIC AZAD UNIVERSITY (SID: 901007032)**CERTIFICATIONS****MANAGEMENT ASPECTS (ORDERED BY DATE)**
